

Horizons Engineering Inc is a growing Civil, Environmental and Structural Engineering and Land Surveying firm with 8 offices locations across New Hampshire, Vermont and Maine.

Horizons Engineering has immediate openings for **Entry Level Land Surveyors** based in our Littleton, New London, and Newmarket New Hampshire offices, to support our growing team. The position will include training under one of our experienced survey technicians on projects throughout Maine, New Hampshire and Vermont.

Our staff at Horizons is a close-knit group of hard-working individuals who value client service and design innovation. We encourage our employees to cultivate a high level of collaborative thinking through a laid-back and flexible work environment, and we offer our team members higher than industry standard pay, outstanding benefits, and opportunities for growth through continuing education and career advancement.

The minimum qualifications for the position are as follows:

- High school diploma, with a preference for candidates with formal education in land surveying or related fields such as environmental science, field sciences, civil technology, computer assisted drafting or construction related courses.
- Preference will be given to candidates with experience in construction or utility related trades.
- Valid drivers license, insurance and a clean driving record.
- Ability to work outdoors in all weather conditions and to traverse difficult terrain.
- Ability to comprehend the technical training and to use surveying measurement equipment such as total stations, field computers and GPS.
- Ability to use hand tools required for field surveying.
- Ability to work remotely on projects requiring travel and overnight lodging. Horizons will provide use of a company vehicle and/or reimburse travel and lodging expenses.

The position will initially be field based, with opportunities to transition to office computations, survey data processing and computer assisted drafting.

***Be sure to indicate on your application which New Hampshire office you are interested in reporting to (Littleton, New London, Newmarket).

Benefits: At Horizons Engineering Inc., we prioritize the well-being and professional growth of our team members.

- **Competitive Salary and Insurance Benefits:** We offer a competitive salary along with comprehensive insurance benefits that cover health, dental, and life insurance. This ensures our employees, and their families, have the necessary support and peace of mind.
- **Paid Time Off:** Employees enjoy paid holidays and personal time off, allowing for a healthy work-life balance and the opportunity to recharge and spend time with loved ones.
- **401k Plan:** Our company 401k plan helps employees save for their future and plan for a comfortable retirement.

- **Continuing Education Support:** We believe in the importance of lifelong learning and professional growth. Horizons Engineering provides support for continuing education, including reimbursement for professional development courses, certifications, and seminars.
- **Supportive Work Environment:** Our workplace culture is supportive and inclusive, with ample opportunities for career advancement. We pride ourselves on fostering a work-life balance and providing flexibility to meet the diverse needs of our team.
- **Dog-Friendly Office:** Understanding that pets are part of the family, our office is dog friendly, allowing employees to bring their furry friends to work.
- **Lunch 'n Learns:** We regularly host Lunch 'n Learns where employees can enjoy a meal while engaging in informative sessions on various topics related to their professional and personal development.
- **Annual Company Party:** To celebrate our collective achievements and build camaraderie, we host an annual company party, providing a fun and relaxed environment for employees to connect and unwind.

At Horizons Engineering, we are dedicated to creating an environment where our employees can thrive both professionally and personally. Our comprehensive benefits package is a testament to our commitment to our team's overall well-being and success.
