

## ENTRY TO MID-LEVEL ENGINEER

Horizons Engineering is looking for an Entry to Mid-Level Engineer to join our team and provide high-quality services to our clients using state-of-the-art equipment. You will be working with a dedicated and diverse team of civil engineers, surveyors and geologists on a variety of residential, commercial, institutional, energy, and commercial projects. We encourage our employees to cultivate a high level of collaborative thinking through a laid-back and flexible work environment, and we offer our team members competitive pay, outstanding benefits, and opportunities for growth through continuing education and career advancement. We have offices in Maine, Vermont, and Southern and Northern New Hampshire and are always looking for new and creative talent to join our team!

### Job Responsibilities

#### Education

- Bachelor of Science in Civil Engineering or related field (Masters preferred)

#### Qualifications/Requirements

- Five years' experience as a civil engineer
- Prepare reports and permit applications
- Professional Engineer license is required
- Experience with AutoCAD design software including Civil3D
- Technical experience in water and wastewater infrastructure, stormwater, and site design
- Excellent problem-solving skills and understanding of engineering concepts
- Sound understanding of civil engineering fundamentals
- Strong time management and technical skills and the ability to travel to different sites
- Construction Services Assistance
- Valid driver's license and clean driving record

#### Location

- Ability to work in one of our many locations throughout New Hampshire, Maine, and Vermont
